 - a. Register with the Agricultural Commissioner of the county or counties in which the Farm Labor Contractor has contracted with a grower.
 - b. Carry his or her license and proof of registration with him or her at all times.
 - c. File with the Agricultural Commission of the county or counties in which the Farm Labor Contractor has contracted with a grower, a correct change of address immediately upon each occasion the licensee permanently moves his or her address.
2. A civil penalty of not more than one thousand (\$1,000.00) for each violation may be levied against a person for violating Chapter 3 of the Labor Code. This chapter pertains, in part, to registration with the Agricultural Commissioner, carrying proof of that registration, and filing changes of address with the Agricultural Commissioner; or Division 7, Chapter 2, Article 10.5 of the California Food and Agriculture Code pertaining to Pesticide and Worker Safety.
3. The State of California requires the safety of employees that may enter a field when exposure to a pesticide or its residue can be reasonably expected.
4. Farm Labor Contractors and their Supervisors shall be informed of the meaning of warning signs placed at the corners and entrances of fields treated with a pesticide.
 - a. The warning sign means that the field has been treated with a pesticide and that no one is to enter the field without proper safety equipment.
5. Farm Labor Contractors and their Supervisors shall be informed of activities prohibited during the reentry interval.
6. There must be clean water and soap so the employees can wash their hands.
7. There must be one toilet and hand washing facility provided and maintained for each forty (40) employees, or fraction thereof, engaged in a food crop growing and harvesting operation.
8. Toilet and hand washing facilities for food crop harvesting operations shall be provided within a five-minute walk of place of work.
9. Employees or their Supervisors shall be informed where to go to receive emergency medical treatment.
 - a. They shall be informed of the NAME, ADDRESS, and TELEPHONE NUMBER of a doctor, hospital, clinic, or emergency room where employees can receive medical treatment.
 - b. If it is not convenient to go to the designated location, procedures to take the employees elsewhere are required.

10. When it is suspected that an employee is ill due to a pesticide or when exposure to a pesticide has occurred that could result in illness of the employee, the employee must be taken to a doctor immediately.

a. An employee that is ill must not be allowed to drive themselves to the doctor.

11. Farm Labor Contractors and their Supervisors shall be informed of the symptoms of Organophosphate and N-Methyl Carbamate poisoning.

a. Organophosphates and N-Methyl Carbamates are two groups of pesticides with a high toxicity to man.
